

## **SNOW EMERGENCY - WHAT DOES IT MEAN?**

When the city declares a Snow Emergency, it basically means that you cannot park your vehicle on the street until the snow emergency is over. Typically, when the City of Titonka declares a Snow Emergency, an ending time is given. If you park a vehicle on the street before the Snow Emergency has ended, you may receive a citation which carries a \$25 fine. Please be considerate of your neighbors and do not park on the street during a snow emergency, so the city plows can get the entire street cleared of snow. If the City has declared a Snow Emergency, we do our best to get the word out -- on KLGK, the local cable channel and on the city's Facebook page. We also try our best to hang signs on the bulletin boards around town, as well as on the door of City Hall.
